

# The Greatest Force on Earth Is the Soul on Fire

Ferdinand Foch,  
French Allied Supreme Commander  
in World War I

**"Hardwiring Excellence is the ultimate guide for the journey to becoming a world-class organization."**

*—Debbie Cardello, MSN, RN, CHE, Chief Operating Officer  
Robert Wood Johnson University Hospital Hamilton  
Recipient of the 2004 Malcolm Baldrige National Quality Award*

**"Thank you so much for your book. I am sharing insights with my staff! I appreciate your enthusiasm and your down-to-earth approach with purpose, worthwhile work, and making a difference. You've made a difference in my world and I hope to pay it forward."**

*—Pam Hundt, RN, BSN, Department Director, Neuroscience/Pediatrics  
Sacred Heart Hospital*

**"A Must Read for every CNO and nurse leader. Quint Studer maps the path from dream to reality...hospitals where patients receive superior care and clinicians are valued in the way we have always deserved to be."**

*—Linda Deering, RN, MSN, Vice President & Chief Nursing Officer  
Delnor-Community Hospital*
